

IMPERIAL CHARTER

Governance and Standards

In obedience to knowledge, history and sacrifices, with Future of the Commonwealth 2007, are testimonies in eternal dispensation and fulfillment of promises for the future. Having redeemed this establishment with the Queen's treasury and inheritance are entitlements with Her Majesty the Queen Elizabeth II and the Duke of Edinburgh.

1. Delivered with an objective to reconstruct the global economy, Future of the Commonwealth 2007 are works, moral and ethical sanctions with eternal *gifts in exaltation* and first *resurrection* and talents in a true calling. Having affirmed with faith in the future Prime Minister Gordon Brown delivered this message with the United States Congress on March 4th 2009 and G-20 in London on April 2nd 2009.
2. Service to the nation with a mission to i) Secure against the risk of sacrificing global communities and ii) Strengthening the works of American enterprise introduced with President George W. Bush and the White House Office of Faith Based and Community initiatives in 2006.

Economic Finance and Treasury

Mitigating issues of global distrust post 9/11, to further redeem in charity and fulfill principles in righteousness is an acknowledgement to liquidate an asset base with \$10.8 trillion cost of capital goods and services to re establish global financial equilibrium.

Monetizing economic gains in translation of capital assets in to value added goods and services, deliver multi-lateral and seamless networks with agreements; tools for national income and employment, growth opportunities; formulation of policy; budget deficits; risk of inflation and balance of payments.

Intellectual Capital and Assets

Having extended this vision in full knowledge of truth, Future of the Commonwealth 2007 revitalizes social, political and economic practices with patentable advances in technology, brand identity and in intellectualization of capital including co-existence of religion, spirituality and sciences.

Securing Against High Political Risk

Driving needs of the global economy and with an objective to secure against high risk redelivered message with the G20 and establishing multi-lateral gateways to the future. In fulfillment of promise in hope of a better future, with the Queen's Commonwealth day message 2007 and G-20 economies; enforcing measures for withdrawal of troops from Basra in Iraq and its re-construction in April 2007 – 2010.

Self Knowledge and Eternal Dispensation

Redeemed this inheritance in eternal dispensation and in spirit of the being; to establish immortal conditions, “I” Self Knowledge (Allah us Samad) with completion of Karma Yoga, Bhakti Yoga, Jnana Yoga and Raja Yoga in Majestic Divinity and the Laws governing the Celestial Kingdom. It is upon these blessings delivered upon global economic, financial and political performances with the Queen (2001 – 2010).
