

9/11 - INVOCATION OF LAW OF CAUSATION

Law of Causation

Since totality is comprised of many dependencies, there exists a relationship in truth between various dependencies and wholesome. Therefore the **Law of Causation** in a complex web of events which are interrelated is invoked.

Law In Mutual Dependence

Presences of total character based on various dependencies, which identify complexities of reality do not unfold in a distorted state of mind. Complexities of reality lead to deception. If events were to unfold as we expect, we would have no notion of illusion or of misconception. It is human nature to formulate a close connection between how we perceive ourselves in relation to the world and the phenomena which governs its behavior.

Prayer Of Hope In God - Dedicated To The Victims of 9/11

In God alone there is rest of my soul, from him comes my safety; he alone is my rock, my safety, my stronghold so that I stand unshaken.

How much longer will you set on a victim, all together intent on murder, like a rampart already leaning over, a wall already damaged?

Trickery is their only plan, deception their only pleasure, with lies on their lips they pronounce a blessing, with a curse in their hearts.

Rest in God alone, my soul! He is the source of my Hope; He alone is my rock, my safety, my stronghold, so that I stand unwavering. In God is my safety and my glory, the rock of my strength.

In God is my refuge; trust in him, you people at all times. Pour out your hearts to him, God is a refuge for us.

Ordinary people are a mere puff of wind, important people a delusion; set both on the scales together, and they are lighter than a puff of wind.

Put no trust in extortion, no empty hopes in robbery; however much wealth may multiply do not set your heart on it.

Once God has spoken, twice have I heard this: Strength belongs to God, to you Lord, faithful love; and you repay everyone as their deeds deserve

Law In Agency

Agency is an eternal principle, in the presence of the Lord and necessary part of our salvation. *It is in this Faith* we uphold the *Yoke of the Law*. Faith in Agency, freedom to choose, is dedicated to the saints and Kings.

"*In Faith*" we grow, develop a vision; build strength of character, power of knowledge, intellect and wisdom. Saints with deeper religious insights and moral values who abide in Faith, Hope and Charity, receive His glory which is the "Spirit of Light and Truth," for righteous causes.

Written in the Gospel of Matthew, anyone who speaks against the Son of Man can be forgiven but the blasphemy against the Holy Spirit and those who speak against it can never be forgiven either in this world or in the next. It is by my Word you will be justified and it is by my Word you will be condemned.

Lord has prepared us in the now and till we come to the "Full Knowledge of Truth", we must keep sacrificing to redeem in the Spirit of His Saviors. Written in [the Gospel of Timothy](#), a Kshatriya must [redeem in the Spirit of that Christ, which is in him, to immortal reality](#); "But is now made manifest by the appearing of our Savior Jesus Christ, who hath abolished death, and hath brought life and immortality to light through the Gospel." All religions are manifested in a Savior present in the being. It is in redemption of that Savior, as written in sacred texts, now is manifested.

"Now I pray to God that ye do no evil: not that we should appear approved; but that ye should do that which is honest, though we be as reprobates." II Corinthians 13:7

.REALIZING THE QUANTUM SELF

Having transcended this Self Realization Post 9/11 in different Phases, I had been seeking answers on what went wrong and future of globalization.

Having made Atonement in 2005, I was first Baptized in the Eternal Sprit or the Spirit of Christ (Purusha or the Great Spirit) in the Church of Jesus Christ and Latter-Day Saints on February 27th, 2005.

In the highest states of consciousness written in the Gospel, I had sent Her Majesty the Queen Elizabeth II documents and writings first Works in Self Knowledge and Quantum Self.

"All things are delivered unto me of my Father, and no man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will reveal him."

It was a delicate and sensitive calling and as elders of the Church I had protested with Her Majesty the Queen Elizabeth II and Prince Philip Duke of Edinburgh (*finer roots and inheritance Samskaras living truth, post World War I in 1930*) the senseless war in Iraq and Afghanistan.

In a Mother's Day calling I summoned the demise of American Enterprise and the United Kingdom in a letter and Works with The White House Office of Faith Based and Community Initiatives in 2006 as American Capitalist System and the United Kingdom came under the world governance bodies' **sinners by grace**.

"Resentment and anger these are foul things too and a sinner is a master at them both. Whoever exacts vengeance will experience the vengeance of The Lord who keeps strict account of sin."

In a *showmanship*, greed, anger, ego ignorance and arrogance with Presidential Powers, President George W. Bush and The White House, General and later Secretary of State Colin Powel was forced upon this mission, at the United Nations speeches and as he descended on aircraft carrier with Mission accomplished.

Laws of Sacrifice

"It is for those people who make a sacrifice, who were once brought to light and tasted the gift from heaven, and received a share of The Holy Spirit, and tasted the goodness of God's message and the powers of the world to come and yet in spite of this have fallen away."

"The prayer of Christ in Gethsemane was a prayer of total submission to the will of his Father. It is impossible to restore the freshness of repentance a second time for the ones that have fallen are crucifying the Son of God again for themselves and making a public exhibition of him."

Laws of Self Governance

"For I tell you if your uprightness does not surpass that of the scribes and Pharisees, you will never get into the kingdom of Heaven." You shall not kill and if anyone does kill he must answer for it before the court. We must reconcile our inner differences before we bring our offerings to the altar. You must not break your oath but must fulfill your oaths to the Lord. It is the Lord's commandment not to swear either by heaven, since that is God's throne; or by earth, since that is his footstool; or by Jerusalem, since that is the city of the great King. Do not swear by your own head either, since you cannot turn a single hair white or black. All you need to say is "Yes", if you mean yes, "No" if you mean no, anything more than this comes from the Evil One.

Law In Redemption

It is through Redemption in ubiquity, in the present time, all beings exist in an invisible state till such time, and it comes to a state of visibility. Changing form of self existent does not change Reality. Those who experience such shift in the being contemplate its nature as unfathomable glory of Ultimate Reality. Reality can only be organized by various faculties of the Being. The desire to know all truth leading to experiential knowledge: transcends past, present and future in a timeless zone.

*"In all truth I tell you,
before Abraham ever was, I am"*

First principle to seek Truth is to understand the words in a unified conscience. The one who is not unified in purity of conscience, the "Word in I" will present a distorted image of reality. Actions arising from such an image can be damaging as the seeker cannot assess the consequences of his actions in front of him.

Knowledge of truth leads to a mental state of enlightenment and if such light is protected and allowed to grow the seeker becomes Self-reliant. Self reliance is an essential virtue. In a unified state of mind self reliance, courage, a one pointed mind and determination build up a force known as *Will Power*, without which the seeker cannot fearlessly tread the path of life. Christ treaded the same path and fought the unjust and unrighteous with the same force.

Selfishness diminishes the will and inner strength. One who is selfishly motivated cannot persuade the conscience, therefore is subject to division within and hence continues to follow the path of unrighteousness. He may know what Truth is but his actions are motivated by greed, selfishness and possessiveness.

Written in the [Gospel of Kings](#), to deliver thee from the way of the evil man, from the man that speaketh forward things; Who leave the paths of uprightness, to walk in the ways of darkness; Who rejoice to do evil and delight in the forwardness of the wicked; Whose ways are crooked, and they forward in their paths, a Kshatriya is born.

Written in Ether, an Ultimate Reality "Behold, I am he who was prepared from the foundation of the world to redeem my people. Behold I am Jesus Christ. I am the Father and the Son. In me shall all mankind have life and that eternally, even they who shall believe on my name; and they shall become my sons and my daughters."

"Fear of the Lord is beginning of knowledge."

"For a *Vaishya* of a trader caste, it is difficult to avoid doing wrong, and for a trader not to sin Many have sinned for the sake of profit, one who hopes to be rich must turn a blind eye.

A peg will stick in the joint between two stones, and sin will wedge itself between selling and buying. Whoever does not firmly hold to the fear of the Lord, his house will soon be overthrown."

Prayer For Firstborn Kshatriya

Heaven is his throne and earth his footstool.

As Lord said *Blessed are the gentle: they shall have the earth as inheritance.*

Blessed are those who mourn: they shall be comforted.

Blessed are those who hunger and thirst for uprightness: they shall have their fill.

Blessed are the merciful: they shall have mercy shown them.

Blessed are the pure in heart: they shall see God.

Blessed are the peace makers: they shall be recognized as children of God.

Blessed are those who are persecuted in the cause of uprightness: the kingdom of Heaven is theirs.
